Principal's News

Where has the term gone?!

I have been extremely proud of our year 3 and 5 students during NAPLAN this past fortnight. They have all tried hard and I am looking forward to seeing their results later in the year.

Principal Update

I am pleased to share with you all that the MSPS School Council and Region have chosen to extend my Acting position for all of Term 2. The Substantive position will be advertised early in Term 2 for a commencement in Term 3. Thank you for embracing me as your Principal.

Family BBQ

Thank you to everyone who was able to attend last night's community event. It was so pleasing to see you connecting with your child's classroom teacher and with other families in a relaxed atmosphere. You will be receiving a message through COMPASS soon to give us feedback on what worked well and ideas for next time.

Easter Hat Parade

On the last day of term we will be hosting our annual Easter Hat Parade. The event will be held on the basketball court, commencing at 10:00am, and families are warmly invited to attend. We are also delighted to have the Wetlands Drive Kindergarten students joining us and participating in the parade.

School will be dismissed on **Thursday at 2:15pm**. Please also be advised that buses will not be available at this dismissal time.

Warm regards,

Mathew McLeod
Acting Principal

STUDENT PERSONAL PROPERTY:

Students and parents/carers are responsible for a student's personal item/property, including if it is lost, stolen or damaged at school.

Claims for the reimbursement of the cost of a personal item/property brought to school will not be paid by the school and are not covered by school insurance.

Parents/carers will only be liable for costs incurred by a student damaging school property in certain circumstances (for example, when the student was acting as an agent of the parent).

MEDICAL AND AMBULANCE EXPENSES:

Parents/carers are responsible for all medical expenses, including ambulance costs if they are incurred by a student at school.

In the event the school is unable to contact the student's parent/carer and in the principal's opinion an ambulance is required without delay, an ambulance will be called at the cost to

Parents/carers.

The school encourages parents/carers to have up-to-date ambulance cover for their child.

Parents/carers are liable for student medical expenses, including ambulance costs, unless the injury or medical incident resulted from a negligent act or omission on behalf of the Department.
