Principal's News

On Wednesday I had the privilege to attend the District Cross Country event with our participants. I was extremely proud of the determination they showed and the pride they displayed when representing our school. In 2027, we will be bringing back the MSPS Whole School Cross Country!

In Week 5, we will be celebrating Education Week. This year's theme is **'Showcase your school'**. As part of celebration families are welcome to attend their child's classroom on Wednesday 20th of May, from 1:45pm - 3:15pm.

Over the next few weeks, students in Grades 4 to 6 will be participating in the Attitudes to School Survey. The survey collects data on how our students feel in relation to our school, their learning, peer relationships, resilience, bullying, health and wellbeing, physical activity, and life in general. The collated data helps our school to analyse trends and compare how our students are feeling to other students across the state.

We are currently taking bookings for our **2027 Foundation** (Prep) student families for our School Tours and Information Sessions. These sessions will be running on Wednesday 3rd of June at 10am and Thursday 11th of June at 12pm. To book in for one of the sessions please call our office.

Important dates

- Week 5 - Thursday 21st of May - Curriculum Day
- Week 7 - Tuesday 9th of June - Partners in Learning (students to only attend their meeting time)
- There are limited spots available on these days for our Out of School Hours Program. Please contact them directly on 50232148 (Option 3) or Mobile 0408 232 143 if you need to book.
